ART UNIT PAPER

200408

DATE MAILED:

Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner for Patents

The reply filed on 10/31/2003 is not fully responsive to the prior Office Action because of the following omission(s) or matter(s).

The previously mailed Office Action stated in paragraph 2 that:

Applicant is advised that a reply to this requirement must include an identification of the species that is elected consonant with this requirement, and a listing of all claims readable thereon, including any claims subsequently added.

Applicant has not included a listing of all claims reading on the elected species (for example, applicant has not indicated that 73, 74, etc read on the elected species).

See 37 CFR 1.111. Since the above-mentioned reply appears to be *bona fide*, applicant is given ONE (1) MONTH or THIRTY (30) DAYS from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
